

OpenMind (Human Judgments)

This survey only takes you less than 25 minutes to complete.

IMPORTANT: Please read the instruction carefully and select your answers. We will check the consistency of your answers to make sure that you do not answer the questions by random selection.

Questions

The questionnaire contains **40 top-5 recommendation lists** for 40 given users.

For each user, we provided his/her previously liked items, along with a top-5 recommendation lists by a method.

We will ask you to answer two questions to evaluate **(1) the meaningful diversity of recommendations and (2) unexpected but-potentially interesting recommendations.**

Each question is on a 5-point Likert scale.

User-1**Previously liked items:****1. Night Mysteries: The Amphora Prisoner**

- English description: You'll enjoy a whole lot of fascinating minigames, an excellent quest for the necessary items, and a captivating and outstanding storyline.
- Topics : Point-and-click exploration; Accessible play; Exploration adventure
